Re: JCPRD Rental Fees (ALERT)

During the Board of Education's regularly scheduled meeting on August 5, 2024, the Board of Education will be asked to approve the rental contract agreement with Johnson County Parks and Recreation District (JCPRD). The contract with JCPRD will be presented on the Consent Agenda.

We reviewed the fees JCPRD is paying to the district for its elementary before and after school care as well as its summer program. As you can imagine, the programs JCPRD provides are invaluable to some of our families that need childcare during the summer and before and after school. Currently, the rental fee is \$8 per hour per space at the schools that house JCPRD in the summer as well as before and after school care. JCPRD typically uses two spaces at each school when these services are provided. It has been this rate for the past four years when it was raised from \$7 to \$8 per hour per space. At this time, we are asking the Board to keep the current rates for the 2024-2025 school year. We have alerted JCPRD that we will be reviewing our hourly rates and would notify them by February 2025 if we have a small raise for the 2025-2026 school year.

Please contact me with any questions you may have regarding this matter.
